Motion.

This motion is based upon the following:

Debtors filed for relief under Chapter 13 of the United States Bankruptcy Code on August 17, 2009. Their Amended Chapter 13 Plan ("Plan") proposes monthly payments of \$91.87 for sixty months and 5% to their general unsecured creditors. Debtors' Property, based upon an appraisal as of August 20, 2009, is valued at \$415,000.00. Debtors' petition lists two (2) deeds of trust on the property. The first Deed of Trust, held by Chase, is for approximately \$635,000.00. The second Deed of Trust, held by Villa Capital, Inc. is for \$42,851.81. The amount on the first Deed of Trust exceeds the value of Debtors' Property and leaves Villa Capital's claim, as to the second Deed of Trust, wholly unsecured.

# MEMORANDUM OF POINTS AND AUTHORITIES

# I. STATEMENT OF FACTS

Mario Sutic and Lilijana Sutic ("Debtors") filed for relief under Chapter 13 of the United States Bankruptcy Code on August 17, 2009. Debtors' Schedule A lists Debtors' principal place of residence located at 2490 Quail Creek Place, Escondido, California ("Property") (see a true and correct copy of Debtors' "Schedule A" attached hereto as "Exhibit 1"). The following liens currently encumber the Property: a first Deed of Trust in favor of Chase, a second Deed of Trust held by Villa Capital (see a true and correct copy of Debtors' "Schedule D" attached hereto as "Exhibit 2.")

Chase holds the first Deed of Trust on the Property and the current balance of the encumbrance is \$677,579.32 (see a true and correct copy of the Proof of Claim filed by JP Morgan Chase Bank, National Association, attached hereto as "Exhibit 3"). The second Deed of Trust, held by Villa Capital, is in the amount of \$42,851.81 (see a true and correct copy of Villa Capital's Home Equity Revolving Credit Line Statement as to the second mortgage, dated August 4, 2006, attached hereto as "Exhibit 4").

Debtors' Property, based upon a August 20, 2009 appraisal, is valued at \$415,000.00 (see a true and correct copy of a declaration of John K. Cherrington, a licensed real estate appraiser, attached hereto as "Exhibit 5" and a true and correct copy of an appraisal report prepared by John K. Cherrington attached hereto as "Exhibit 6"). The encumbrance of the first Deed of Trust exceeds the fair market value of the Property leaving Villa Capital's claim, as to the second Deed of Trust, wholly unsecured.

### II. DISCUSSION

The issue before the Court is whether a second mortgagee's "secured claim" on a piece of real property may be treated as an unsecured claim when the value of the second mortgagee's claim completely exceeds the value of the real property *after* satisfaction of the first mortgagee's claims. Pursuant to Bankruptcy Code Sections 506(a)(1) and 1322(b)(2) and current case law, the wholly unsecured second Deed of Trust on Debtors' property should be considered an unsecured interest and the lien should be extinguished upon discharge.

Villa Capital's claim, as to the second Deed of Trust, is unsecured pursuant Bankruptcy Code 11 U.S.C. Section 506(a)(1) which states:

An allowed claim of a creditor secured by a lien on property in which the estate has an interest . . . is a secured claim to the extent of the value of such creditor's interest in the estate's interest in such property... and is an unsecured claim to the extent that the value of such creditor's interest...is less than the amount of such allowed claim. Such value shall be determined in light of the purpose of the valuation and of the proposed disposition or use of such property, and in conjunction with any hearing on such disposition or use or on a plan affecting such creditor's interest.

The Court in <u>In re Plouffe</u>, 157 B.R. 198 (Bankr. D. Conn. 1993), held that for a mortgagee to claim the protection against modification granted by Section 1322(b)(2), the mortgagee must qualify as the holder of a secured claim to some extent as

determined by Section 506(a). The Court rationalized that "there is neither a logical nor rational basis for a creditor holding a completely unsecured claim to be protected from claim modification in a bankruptcy case simply because the creditor had obtained a lien on the homestead pre-petition." <u>Id</u>. at 200.

When section 506(a)(1) is applied to claims such as mortgages, a mortgage would not be a "secured claim" to the extent that it exceeds the value of the property on which it has a security. In Zimmer v. PSB Lending Corp. (In re Zimmer), 313 F.3d 1220, 1223 (9<sup>th</sup> Cir. 2002), the Court stated that the term "secured claim" is a term of art, and a claim secured by a lien on property is not necessarily a "secured claim" and may be modified and avoided. "Under the Bankruptcy Code, 'secured claim' is thus a term of art; not every claim that is secured by a lien on property will be considered a "secured claim." (Zimmer at 1223).

Bankruptcy Code 11 U.S.C. Section 1322(b)(2) which states that a Chapter 13 plan may

... modify the rights of holders of secured claims, other than a claim secured only by a security interest in real property that is the Debtor's principal residence, or of holders of unsecured claims, or leave unaffected the rights of holders of any class of claims.

The policy behind section 1322(b)(2) indicates that Congress intended to distinguish between secured and unsecured claims, rather than secured and unsecured creditors. The Debtors in the instant case seek to modify Villa Capital's claim, as to the second Deed of Trust, by having the claim declared an unsecured claim and the lien determined to be unsecured. Villa Capital's claim is unsecured since no security interest attaches to their second lien. Villa Capital, as to the second Deed of Trust, would be entitled to the protection of Section 1322(b)(2) only if after satisfaction of the first mortgage it retained some security in the property. In the instant case, there is no such security because the value of Debtors' Property is \$415,000.00 and the first Deed of Trust alone encumbers the Property in the amount of \$677,579.32. Villa

Capital's claim, as to the second Deed of Trust is completely unsecured after satisfaction of Debtors' first mortgage.

The Court in <u>In Re Hornes</u>, 160 B.R. 709 (Bankr. D. Conn. 1993), explained that the code does not generally classify creditors based on the existence of a piece of paper purporting to give a creditor rights in specified collateral, but rather on whether a creditor actually holds a claim supported by valuably estate property. <u>Id.</u> at 715. In the instant case, Villa Capital's claim, as to the second Deed of Trust, is not secured by any collateral or valuable estate as the lien is unsecured and does not succeed at attaching the property. Therefore, the second Deed of Trust is unsecured and the claim of Villa Capital, as to the second Deed of Trust, should be treated as unsecured for purposes of the Chapter 13 plan, thus allowing the voiding the lien upon discharge.

In Nobelman vs. American Savings Bank, 508 U.S. 324 (S. Ct. 1993), the Supreme Court of the United States held that section 1322(b)(2), which bars a Chapter 13 plan from modifying the rights of holders of claims secured partially by the Debtors' principal place of residence, does not apply to holders of totally unsecured claims. Protecting wholly unsecured lien holders under section 1322(b)(2) is contrary to the provisions of the Bankruptcy Code and unsecured claims may be discharged. Therefore, Villa Capital's claim, as to the second Deed of Trust, may be treated as wholly unsecured and discharged upon completion of the plan.

In the seminal case, <u>Lam v. Investors Thrift (In re Lam)</u>, 211 B.R. 36, Bankr. (B.A.P. 9<sup>th</sup> Cir. 1997), the Debtors filed a Chapter 13 case on November 17, 1994. In their schedules they listed their place of residence, which had an undisputed fair market value of \$300,000. The property was encumbered by four (4) trust deeds. The first Deed of Trust, in the amount of \$164,222, was completely secured. The second Deed of Trust, in the amount of \$61,924, was also completely secured. The third Deed of Trust, in the amount of \$560,000, was partially secured and therefore

not subject to modification under the code. Thrift's fourth Deed of Trust, in the amount of \$17,193, was completely unsecured and therefore the Appellate Court ruled that Thrift's claim be discharged. Likewise, Villa Capital's claim, as to the second Deed of Trust, is also completely unsecured and the lien should be declared void upon discharge pursuant to <u>In re Lam</u>.

# III. CONCLUSION

Based upon the foregoing, Villa Capital's lien, as to the second Deed of Trust, is unsecured and should be treated as an unsecured claim. The value of the Debtors' Property is less than the amount owed to the first mortgagee. In a liquidation context, the second mortgagee would not receive any funds. Therefore, under section 506(a), Villa Capital's claim, as to the second Deed of Trust, should be treated as an unsecured claim for purposes of plan treatment and Villa Capital's unsecured lien on the Debtors' Property should be voided upon discharge.

WHEREFORE, based on the foregoing, the Debtors respectfully request:

- 1. That the Court value the real property located at 2490 Quail Creek Place, Escondido, California at \$415,000.00;
- 2. That the Court deem the lien of Villa Capital, as to the second Deed of Trust, as an unsecured claim during the life of the Debtors' chapter 13 plan;
- 3. That the Court stay post petition payments to Villa Capital, as to the second Deed of Trust;
- 4. That upon completion of all plan payments and entry of discharge in this case pursuant to 11 U.S.C. Section 1328, the lien held by Villa Capital, as to the second Deed of Trust, will be void and will not constitute an encumbrance on the real property described in the motion;

5. That upon completion of the plan payments and upon entry of discharge in this case, Villa Capital, is ordered to expeditiously reconvey the second Deed of Trust and otherwise take such steps required to clear title of said lien as to the real property described in this motion;

- 6. That should the case the dismissed or converted to any other chapter prior to completion of the plan and entry of a chapter 13 discharge, the lien will remain valid;
- 7. For any other such relief the Court deems proper.

# FIXED/ADJUSTABLE RATE RIDER

THIS FIXED/ADJUSTABLE RATE RIDER is made on this 29th day of June .

2006 and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Fixed/Adjustable Rate Note (the "Note") to Long Beach Mortgage Company

("Lender") of the same date and covering the property described in the Security Instrument and located at: 2490 Quail Creek Place, Escondido, CA 92027

Property Address

THE NOTE CONTAINS PROVISIONS ALLOWING FOR A CHANGE FROM THE INITIAL FIXED INTEREST RATE TO AN ADJUSTABLE INTEREST RATE AND FOR CHANGES IN THE MONTHLY PAYMENT. THE NOTE LIMITS THE AMOUNT BORROWER'S INTEREST RATE CAN CHANGE AT ANY ONE TIME AND THE MAXIMUM RATE BORROWER MUST PAY.

ADDITIONAL COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Secrower and Lender further covenant and agree as follows:

#### A. INTEREST KATE AND MUNTIFICE PATMENT CHANGES

The Note provides for an initial fixed interest rate of 8.900 %. The Note provides for a change in the initial fixed interest rate to an adjustable interest rate and for changes in the monthly payments, as follows:

#### 4. INTEREST RATE AND MONTHLY PAYMENT CHANGES

(A) Change Dates

The initial fixed interest rate I will pay may change on the first day of August ,2008 and on that day every 6th month thereafter. Each date on which my interest rate could change is called a "Change Date."

(B) The Index

Beginning with the first Change Date, my interest rate will be based on an Index. The "Index" is the average of interbank offered rates for six month U.S. dollar-denominated deposits in the London market ("LIBOR"), as published in *The Wall Street Journal*. The most recent Index figure available as of the date 45 days before the Change Date is called the "Current Index." If the Index is no longer available, the Note Holder will choose a new Index that is based upon comparable information. The Note Holder will give me notice of this choice.

(C) Calculation of Changes

Before each Change Date, the Note Holder will calculate my new interest rate by adding Four and 99/100 percentage point(s) ( 4.990 %) to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). Subject to the limits stated in Section 4(D) below, this rounded amount will be the new interest rate until the next Change Date.

The Note Holder will then determine the amount of the monthly payment that would be sufficient to repay the unpaid principal that I am expected to owe at the Change Date in full on the Maturity Date at my new interest rate in substantially equal payments. The result of this calculation will be the new amount of my monthly payment.

#### (D) Limits on Interest Rate Changes

The interest rate I am required to pay at the first Change Date will not be greater than 10.900 % or less than 8.900 %. Thereafter, my interest rate will never be increased or decreased on any single Change Date by more than One percentage points (1.000 %) from the rate of interest I have been paying for the preceding 6 months. My interest rate will never be greater than 14.900 % or less than 8.900 %.

#### (E) Effective Date of Changes

My new interest rate will become effective on each Change Date. I will pay the amount of my new monthly payment beginning on the first monthly payment date after the Change Date until the amount of my monthly payment changes again.

#### (F) Notice of Changes

The Note Holder will deliver or mail to me a notice of any changes in my interest rate and the amount of my monthly payment before the effective date of any change. The notice will include information required by law to be given to me and also the title and telephone number of a person who will answer any question I may have regarding the notice.

#### B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

 Until Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Section 18 of the Security Instrument provides as follows:

Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is sold or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if exercise is prohibited by federal law as of the date of this Security Instrument.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is delivered or mailed within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

2. When Borrower's initial fixed interest rate changes to an adjustable interest rate under the terms stated in Section A above, Section 18 of the Security Instrument shall then cease to be in effect, and Section 18 of the Security Instrument shall instead provide as follows:

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by applicable law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender also may require the transferec to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. THIS PLANNED UNIT DEVELOPMENT RIDER is made this 29th day of June, 2006, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date, given by the undersigned (the "Borrower") to secure Borrower's Note to Long Beach Mortgage Company, 1400 South Douglass Road, Suite 100, Anaheim, CA 92806

(the "Lender") of the same date and covering the Property described in the Security Instrument and located at: 2490 Quail Creek Place, Escondido, CA 92027

(Property Address)

The Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described in SEC ATTACHED

(the "Declaration"). The Property is a part of a planned unit development known as Rancho San Pasqual

[Name of Planned Unit Development]

(the "PUD"). The Property also includes Borrower's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security

B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Lender requires insurance, then: (i) Lender waives the provision in Section 3 for the Periodic Payment to Lender of the yearly premium installments for property insurance on the Property; and (ii) Borrower's obligation under Section 5 to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

What Lender requires as a condition of this waiver can change during the term of the loan.

Borrower shall give Lender prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of rectoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are nerony assigned and shall be paid to Lander. Lander shall apply the proceeds to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Section 11.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to: (i) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit of Lender; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. Remedies. If Borrower does not pay PUD dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

# Important Terms of Our Home Equity Revolving Credit Line

This disclosure contains important information about the Home Equity Revolving Credit Line offered by Villa Capital, Inc.. You should read it carefully and keep a copy for your records.

Availability of Terms. None of the terms below are subject to change if you submit an application within 60 days of receiving this statement. If any of these terms change and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you paid to anyone else in connection with your Application.

Security Interest. We will take a mortgage (deed of trust) on your home (subject property). You could lose your home if you do not meet the obligations in your agreement with us.

Possible Actions. We can terminate your line, require you to pay us the entire balance due in one payment, and charge you certain fees if: (i) you do not meet the repayment terms or (ii) your action or inaction adversely affects the collateral or our rights in the collateral. We can refuse to make additional extensions of credit if: (i) the value of your home securing the line declines significantly below its appraised value for purposes of the line, (ii) we reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances or (iii) you are in default of a material obligation in this agreement or any other obligation secured by and/or associated with the subject property.

Advance Period; Minimum Payment. For 36 months, you can obtain advances of credit on your credit line up to your credit limit (the "draw period"). During the draw period, payments will be due monthly and will equal the finance charges that accrued on the outstanding balance during the previous month. After the draw period, you will no longer be able to obtain credit advances and must repay the outstanding balance over 48 months with a balloon payment at the end of the 84th month (the "repayment period"). Your minimum payment will be interest only for 83 months followed by a balloon payment.

Minimum Payment Example. If you made only the minimum payment on the payment due date each month during the draw period and the repayment period and took no other credit advances, it would take 84 months to pay off a credit advance of \$10,000. During that period, at an ANNUAL PERCENTAGE RATE of 15.99%, you would make 83 payments of \$133.25 followed by 1 payment of \$10,133.25.

Account Opening Fees or Charges. To open an Account you will have to pay the following initial fees to us:

Description	Amount	Description	Amount
Title Insurance (estimated)	\$100.00	Escrow Fees (estimated)	\$375.00
Recording Fees (estimated)	\$60.00	Loan Fee-paid from Initial Cash Advance (cash loan)	\$3,700.00
Appraisal Fee	\$0.00	Other	\$2,267.66

There are no annual fees on this account, but you will pay a cash advance fee of \$100.00 of the new advances of credit after the initial advance. You also must pay certain fees to third parties to open a line. These fees generally total between \$1,000 to \$2,000. If you ask, we will give you an itemization of the fees you will have to pay third parties.

Minimum and Maximum Draw Requirements. The initial advance of credit can be up to but not exceeding \$28,000.00. The initial advance and any advances of credit requested during the first 30 days of your account cannot exceed 80.0% of your credit limit. Subsequent advances of credit must be \$1,000.00 or larger.

Tax Consequences. You should consult a tax advisor about the deductibility of interest and other charges for the line

Annual Percentage Rate. The interest rate on the account is fixed at 15.99% ANNUAL PERCENTAGE RATE. The ANNUAL PERCENTAGE RATE includes interest but not other costs.

## HOME EQUITY CREDIT LINE REVOLVING LOAN AGREEMENT

This is an agreement containing the terms and disclosures which apply to your home equity line of credit account ("Account") with Villa Capital, Inc... The words "we" or "us" refer to the lender named in the previous sentence. The words "you" or "your" mean the person or persons who use or authorize the use of the Account, jointly and severally.

1. How You May Use Your Account. You can borrow money ("Cash Loans") from your Account by making a written request to us up to your maximum credit limit. Your Account is a revolving line of credit. You cannot request money in excess of the available credit (the difference between your outstanding balance and your maximum credit limit) on your Account. You may not request less than \$1,000.00 at any one time. Requests for money must be in writing sent to us at an address we will give you. We will respond to it within 5 business days after receipt of your request. For the first 30 days after your Account is open, you will not be permitted to draw more than 80.0% of your initial credit limit. You cannot make more than one draw request per 30 day period.

2. Maximum Credit Limit. Your initial credit limit is \$35,000.00, of which your first Cash Loan can be up to but not exceeding \$28,000.00. You agree that we can change your credit limit at any time but it shall never exceed \$42,000.00. You also agree that we are not obligated to extend credit to you for an amount that would make your outstanding balance exceed your maximum credit limit or for any amount if your outstanding balance is already over the maximum credit limit. Any increases in your maximum credit limit you request will require that you make a written application for our approval. You will pay any amounts that exceed your maximum credit limit upon demand. We may re-evaluate your financial condition if you request a higher credit limit, or at any other time, and this may include obtaining a current credit bureau report, and/or asking you for current financial information. We may suspend your right to obtain additional Cash Loans when: (i) the value of your home has declined more than 20% from the appraised value at the time the Account was opened, (ii) we reasonably believe that you will be unable to fulfill your repayment obligations under this Agreement because of a material adverse change in your financial circumstances, (iii) you file a bankruptcy petition, (iv) one of the Account holders requests such suspension or (v) governmental or court action. If you believe that one of the conditions is no longer present, we will reinstate your ability to obtain Cash Loans if you so request in writing and we confirm that the condition is no longer present.

3. Monthly Statement. If you have an outstanding debit or credit New Balance of \$1.00 or more, or if there is any finance charge imposed during a billing cycle, we will send you a statement. You agree to pay us for all Cash Loans, fees and charges, if any, and FINANCE CHARGES on your Account, all payable in United States Dollars according to the terms and conditions of this Agreement.

4. FINANCE CHARGE on Your Account Balance. We will determine and impose a FINANCE CHARGE by applying a daily periodic rate of 0.044% to the daily unpaid principal balance for the number of days that balance remains unpaid in the billing cycle. The daily periodic rate is the ANNUAL PERCENTAGE RATE of 15.99% divided by 365. To get the daily unpaid principal balance we will take the beginning balance each day, add any new debits or Cash Loans and subtract any payments or credits. The ANNUAL PERCENTAGE RATE does not include costs described in this Agreement other than interest. A portion of the FINANCE CHARGE will be figured by applying a cash advance fee (a transaction fee) of \$100.00 to each Cash Loan after the first Cash Loan, on the date the new Cash Loan is posted to your Account. Finance charges accrue on a new Cash Advance and the related cash advance fee as soon as the Cash Advance is made. Amounts we must pay to protect the security of our Deed of Trust will earn finance charges at the ANNUAL PERCENTAGE RATE applicable during default as soon as we make the advance.

5. Minimum Payment. You agree to pay either the entire outstanding balance ("New Balance") indicated on your monthly statement or in monthly payments. During the period you are permitted to obtain new Cash Loans ("Draw Period"), the minimum monthly payment ("Minimum Payment Due") you must pay will be equal to just the unpaid finance charges that have accrued during the billing cycle, without any provision for reduction of the unpaid principal balance. You can always pay more if you wish. At the end of the Draw Period and continuing until you have paid the unpaid principal balance in full, your Minimum Payment Due will be fixed at an amount equal to interest only for 48 equal monthly payments followed by a balloon payment of all unpaid principal. If you default and we must advance other sums to protect the security of our Deed of Trust, you agree to pay these amounts in full together with the next regularly scheduled Minimum Payment Due.

6. Fees.

(a) Late Payment Fee: Your Minimum Payment Due will be past due if it is not received by us on or before the Payment Due Date shown on each monthly statement. A late charge of 10.0% of the payment with a minimum of \$15.00 will be charged to your Account, if at least the Minimum Payment Due, including unpaid payments, is not received by us within 10 days after the Payment Due Date.

(b) Fee for Documents: If you request a copy of a statement, Cash Loan request or other document not in connection with a billing error, we will charge your Account the sum of \$15.00 for each copy.

(c) Annual or Initial Fees: You agree to pay, by a debit to your Account, the following initial, non-refundable fees to set up this Account:

Description	Amount	Description	Amount
Title Insurance (estimated)	\$100.00	Escrow Fees (estimated)	\$375.00
Recording Fees (estimated)	\$60.00	Loan Fee- paid from Initial Cash Advance (cash loan)	\$3,700.00
Appraisal Fee	\$0.00	Other	\$2,267.66

## Case 09-12234-LA13 Filed 11/02/09 Doc 36 Pg. 40 of 79

You agree to pay the exact amount of any initial fee that is estimated. There are no annual fees on this account, but you will pay a cash advance fee for new Cash Loans.

- (d) Returned Payment Check Fee: If you make payment by check and a check is returned unpaid for any reason, your Account will be charged \$50.00 for each returned check.
- 7. Draw and Repayment Periods. You may add Cash Loans to your Account for up to 36 months so long as you own your home and you are not in default ("Draw Period"). Thereafter ("Repayment Period"), you must pay at least the Minimum Payment until the Unpaid Balance is paid in full or the maturity date of 08/15/2013, whichever occurs first. On written notice to you we can extend your Draw Period or your Repayment Period, but we are not obligated to do so.
- 8. Application of Payment. We will determine the method of applying your payments and credits to your Account.
- Security. All of your obligations under this Agreement are secured by a deed of trust ("Deed of Trust") on your home located at 2490 Quail Creek Place Escondido CA 92027.

You may buy property insurance from anyone that is acceptable to us. You will provide proof you are insured under the policy.

The Deed of Trust allows us to declare a default if you sell or transfer your home without our prior written consent (you are the "Trustor," we are the "Beneficiary," and the "Property" is your home in the following quotation):

TRANSFER: If Trustor voluntarily sells or conveys the above-described Property, fully or partially, or any interest in it or, by some act or means divest themselves of title to the Property without obtaining the written consent of Beneficiary, Trustor shall be in default and Beneficiary may, at its option, declare the entire unpaid balance of the loan and accrued but unpaid interest immediately due and payable.

- 10. Events of Default. You will be in default under this Agreement if any of the following events occurs: (a) if you fail to comply with the Minimum Payment or any other terms or conditions of this Agreement; (b) if you die and you are the only Account holder or if an Account holder survives you, we deem the security for the Account adversely affected; (c) you sell or transfer your home; (d) if you fail to maintain the insurance required by the Deed of Trust; (e) if a lien senior to our Deed of Trust on your home forecloses; (f) if your home is taken by eminent domain; (g) if you commit waste or otherwise destructively use or fail to maintain your home such that the action adversely affects the security of our Deed of Trust; (h) if you use your home illegally and such use subjects your home to seizure by governmental authorities; (i) if you move out of your home and your non-occupancy adversely affects the security for the Account; and (j) you fail to pay property taxes and other assessment liens on your home that are senior to the Deed of Trust.
- 11. Entire Balance Due. If you are in default, we may do one or more of the following: (i) require that you immediately pay the outstanding balance with interest due on this balance, at the ANNUAL PERCENTAGE RATE provided above, until paid, (ii) we can terminate your right to obtain additional Cash Loans or (ii) we can raise your ANNUAL PERCENTAGE RATE to 19.00% during the period you are in default. We may exercise one of these options without giving up our right to exercise another option if your default continues. If we demand full payment of the outstanding balance and you fail to immediately make payment, you agree to pay all collection costs, including our attorney's fees.
- 12. Transfer of Account. You cannot transfer or assign your Account to any other person.
- 13. Notice to Joint Applicants. Each applicant has the right to use this Account to the extent of the Maximum Credit Limit and may be liable for all amounts extended under this Account to any joint applicant.
- 14. Change of Address. You agree to advise us promptly if you change your mailing address. All written notices and statements from us to you will be considered given when placed in the United States mail, postage prepaid, and addressed to you at your current address as it appears in our records.
- 15. Irregular Payments. We may accept late payments or partial payments or checks, drafts or money orders marked "Payment in Full" without losing any of our rights under this Agreement.
- 16. Amendments. We may make insignificant changes to this Agreement at any time or changes that unquestionably benefit you, as long as we give you advance written notice as required by law.
- 17. Cancellation. You can cancel your account at any time by giving us notice and paying in full all sums due on your Account. Your obligation under this Agreement, including our security interest in your home, and any changes made under this Agreement prior to cancellation will continue to apply until you have paid you all the money you owe on the Account.
- 18. Other Provisions. Each of you who signed this Agreement or use the Account is individually and jointly obligated for all payments due under this Agreement. The Account has been applied for, considered, approved and issued in the State of California and all extensions of credit are being made from the State of California. You agree that this Agreement shall be governed by and interpreted under California and Federal law. If any part of this agreement is not valid, all other parts will remain enforceable.
- 19. Tax Consequences. You should consult a tax advisor about the deductibility of interest and other charges under this Agreement.

-	I intend to use the revolving line of credit by paying the balance down and re-drawing money as the need arises.
0	I understand that a loan without a revolving feature may be more suitable to me if I have no intention of ever using the pay down and redraw features of the revolving credit line.
-	I understand that a non-revolving loan may cost me less money both in fees to obtain the loan and interest that is charged on the loan.
0-	If I obtain this loan, the lender will have a mortgage on my home. I could lose my home, and any money I have put into it, if I do not meet my obligations under the loan.
	I understand that mortgage loan rates and closing costs and fees vary based on many factors, including my particular credit and financial circumstances, my earnings history, the loan-to-value requested, and the type of property that will secure a loan. Higher rates and fees may be justified depending on the individual circumstances of a particular consumer's application. I know I should shop around and compare loan rates and fees.
	This revolving line of credit may have a higher rate and total points and fees than other mortgage loans. I will consider consulting a qualified independent credit counselor or other experienced financial adviser regarding the rate, fees, and provisions of this mortgage loan before I proceed. If I want information or want to contact a qualified credit counselor, I call the United States Department of Housing and Urban Development's counseling hotline at 1-888-466-3487 or go to www.hud.gov/fha/sfh/hcc for a list of counselors.
_	I am not required to complete any loan agreement merely because the lender has received this statement or I have signed a loan application.
=	If I proceed with this mortgage loan, I will remember that I could face serious financial risks if I use this loan to pay off credit card debts and other debts in connection with this transaction and then subsequently incur significant new credit card charges or other debts. If I continue to accumulate debt after this loan is closed and then experience financial difficulties, I could lose my property and any equity I have in it if I do not meet my mortgage loan obligations.
-	My payments on existing debts contribute to my credit ratings. I will ignore any advice to ignore my regular payments to my existing creditors.
_	I understand that any disputes with the Lender or anyone who owns the loan, and their personnel, will be subject to binding arbitration under a separate agreement. I freely agree to binding arbitration.

The AGREEMENT is a revolving line of credit enabling the Trustor to redraw sums previously repaid, to be secured hereby, pursuant to the terms of the AGREEMENT and this Deed of Trust. The amount collected under any first or other insurance policy may be applied by Beneficiary upon indebtedness secured hereby and in such order as Beneficiary may determine, or at option of Beneficiary, the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not

(4) To pay at least ten days before delinquency all taxes and assessments affecting said Property, including assessments on appurtenant water stock, when due, all encumbrances, charges and liens, with interest, on said Property or any part thereof, which appear to be prior to or superior hereto; and all costs, fees and expenses of this Trust. indebtedness secured hereby or in performance of any agreement hereunder, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at any time without notice, either in person or by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of said Property or any part hereof, in his own name sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including attorney's fees upon any indebtedness secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of said Property, the collection of such rents, issues and profits and the application thereof as aforesaid shall not cure by waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

(11) That upon default by Trustor under the AGREEMENT, Beneficiary may declare all sums secured hereby immediately due and payable by delivering to Trustee a written declaration of default and demand for sale and a written notice of default and election to cause to be sold said Property, which notice Trustee shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed of Trust, the AGREEMENT and all documents evidencing expenditures secured herein. Trustee may postpone sale of all or any portion of said Property by public announcement at the time fixed by the preceding postponement. Trustor shall deliver to such purchaser its deed conveying the Property, but without covenant or warranty, express or implied. The recitals in such deed of any matters of fact shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary, as hereinafter defined, may purchase at such sale. After deducting all costs, fees and expenses of Trustor and of this Trust, including costs of evidence of title in connection with sale, Trustor shall apply the proceeds of sale to payment of all sums expended under the terms hereof, not then repaid, with accrued finance charges at the applicable Annual Percentage Rate in the AGREEMENT; all other sums then secured thereby; and the remainder, if any, to the person or persons legally entitled thereto.

(12) Beneficiary or any successor in ownership of any indebtedness secured hereby, may from time to time, in an instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instruments executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of the county or counties where said Property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Such instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page when this Deed of Trust is recorded and the name and address of the new Trustee.

(13) That this Deed of Trust applies to, inures to the benefit of and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary means the owner and holder, including pledgees, of the AGREEMENT secured hereby, whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and or neuter, and the singular number includes the plural.

(14) That Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereof of a pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

(15) If this Deed of Trust is secured by condominium, community apartment, stock cooperative leasehold or planned unit development, Trustor agrees to comply with all recorded declaration of covenants, conditions and restrictions, association bylaws, and association rules and regulations, and, upon written request from Beneficiary, to enforce the same as against other owners in such developments.

(16) If the Deed of Trust is secured by a lease, Trustor agrees not to amend, change, modify or waive his or her interest therein, or agree to do so or to breach the lease without the written consent of Beneficiary. If this covenant is breached and the security for this Deed of Trust is materially and adversely affected, Beneficiary shall have the option to declare all sums owed under the AGREEMENT and this Deed of Trust, immediately due and payable in full.

### Uniform Residential Appraisal Report

File No. 70892

This report form is designed to report an appraisal of a one-unit property or a one-unit property with an accessory unit; including a unit in a planned unit development (PUD). This report form is not designed to report an appraisal of a manufactured home or a unit in a condominium or cooperative project.

This appraisal report is subject to the following scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications. Modifications, additions, or deletions to the intended use, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization, are permitted.

SCOPE OF WORK: The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a complete visual inspection of the interior and exterior areas of the subject property, (2) inspect the neighborhood, (3) inspect each of the comparable sales from at least the street, (4) research, verify, and analyze data from reliable public and/or private sources, and (5) report his or her analysis, opinions, and conclusions in this appraisal report.

**INTENDED USE:** The intended use of this appraisal report is for the lender/client to evaluate the property that is the subject of this appraisal for a mortgage finance transaction.

INTENDED USER: The intended user of this appraisal report is the lender/client.

**DEFINITION OF MARKET VALUE:** The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he or she considers his or her own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions\* granted by anyone associated with the sale.

\*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

**STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS:** The appraiser's certification in this report is subject to the following assumptions and limiting conditions:

- 1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it, except for information that he or she became aware of during the research involved in performing this appraisal. The appraiser assumes that the title is good and marketable and will not render any opinions about the title.
- 2. The appraiser has provided a sketch in this appraisal report to show the approximate dimensions of the improvements. The sketch is included only to assist the reader in visualizing the property and understanding the appraiser's determination of its size.
- 3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in this appraisal report whether any portion of the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.
- 4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.
- 5. The appraiser has noted in this appraisal report any adverse conditions (such as needed repairs, deterioration, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the research involved in performing this appraisal. Unless otherwise stated in this appraisal report, the appraiser has no knowledge of any hidden or unapparent physical deficiencies or adverse conditions of the property (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) that would make the property less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, this appraisal report must not be considered as an environmental assessment of the property.
- 6. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that the completion, repairs, or alterations of the subject property will be performed in a professional manner.

#### **Neighborhood Boundaries**

The subject property is located in the City of Escondido which is located in the northern portion of San Diego County. The immediate subject property neighborhood consists of average to good quality homes on typical residential lots with some homes located on larger land parcels.

The subject property neighborhood is roughly bounded by the 92027 zip code to the north, vacant land to the east, San Pasqual Valley Road to the south and Bear Valley Parkway to the west.

The subject property is located in the "Rancho San Pasqual" development. Homeowner fees are \$136.00 for a gated entry, a community pool, spa, clubhouse, recreation facilities, playgrounds and common areas. There is a special assessment(Mello Roos) of approx. \$600.00 a year. Homeowner fees are typical for the area with no adverse effect on the value or marketability of the subject property.

#### **Neighborhood Description**

The subject property is located in the community of Escondido which is approximately 40 miles north of downtown San Diego. The neighborhood is comprised of a mixture of single family residences, multi-family units, and supporting commercial services. The subject has good access to all major services, including schools, shopping, employment centers and major transportation corridors.

#### **Neighborhood Market Conditions**

The real estate sales market throughout San Diego County rose sharply from November 2000 to the peak price in November 2005 with the median price of a home doubling, rising at an average of 22 percent per year. From December of 2005 through the present time period, the overall market had declined substantially resulting in a large number of bank short sales and foreclosures. From our market research of Data Quick Information Systems, it appears that the overall rate of decline for a median priced home through San Diego County from June of 2008 through June of 2009 was approximately 15.10%. It must be noted that the rate of the decline in value throughout 2008 and the first half of 2009 varies greatly depending upon the submarkets throughout San Diego County with some submarkets actually increasing in value.

Conventional and government insured financing are the predominant forms of financing in the subject's market with seller concessions being offered to entice buyers. According to our searches of the San Diego Multiple Listing Service: the marketing time for the subject area is approximately 0 to 9 months depending upon the original list price of the homes.

#### Site Comments

The preliminary title report for the subject property has not been reviewed. No easements or adverse encroachments were noted during the physical inspection.

The subject property improvement is located on a level pad with 100% net lot utility.

The subject property backs to main entry street for the development (Old Ranch Road), buffered by a rear yard setback of approximately 80 ft. and concrete block wall, no apparent adverse market affect.

#### **Additional Features**

The subject property has good quality landscaping improvements which includes a rear paver patio area, front covered entry porch, block/wood perimeter fencing. Mature front and rear lawn areas, trees and shrubbery throughout.

Interior features-Wood flooring in entry, kitchen, family room, tile flooring in one of the bathrooms, with carpet throughout the remainder of the improvement. There is a fireplace in family room. The kitchen has tile countertops, good quality cabinets and appliances.

At the time of inspection, there was no flooring in the main bedroomand bathoom. Also, the main bathroom was completely gutted(No toilet, bathtub,shower enclosure, flooring, sink, cabinets).

The subject is being charged with functional obsolescence due to the unfinished bathroom and bedroom.

The cost to cure is approx. \$7500.00

### **Condition of Improvements**

Physical depreciation was charged due to normal wear and tear. The property has a physical age of 11 years and an effective age of 5 years due to good upkeep. No external obsolescence was noted at the time of the inspection. Remaining economic life is approximately 65 years.

# Comments on Sales Comparison Location

All of the comparables are located in the subject's development and are considered to be the market competition for the subject property. All of the comparables are located in the subject's development.

#### Lot Size

All of the comparables have similar overall lot sizes with no adjustments made.

#### View

Comparable No. 3 has a superior view amenity with a downward adjustment needed.

#### Age

No adjustments were deemed warranted for varying ages of the comparables in relation to the subject property. Adjustments, if any, are reflected in the overall condition ratings.

#### Condition/Functional Utility

All of the comparables are similar in overall condition with no adjustments needed.

As mentioned earlier, the subject is missing flooring in the main bedroom and the main bathroom has been gutted. Therefore, all of the comparables are suprerior in functional Utility with downward adjustments necessary.

#### Room Count/Gross Living Area

Square footage adjustments were made based on \$45 per square foot. All of the comparables have similar bathroom counts with no adustments made.

#### Other

Comparable No. 2 has a superior car storage amenity with a downward adjustment made.

Comparable No. 4 has a pool amenity with a downward adjustment warranted.

### Comments

Equal weight was given to all comparable sales in determining a final value estimate through the sales comparison approach with additional support from the pending listing utilized. Comparable No. 3 appears to have been sold at the lower end of the value range. Adjustments were made from market analysis, the appraiser's knowledge of adjustments for the area and confirmed through conversation with real estate agents active in selling homes in the subject neighborhood.

Comparable No. 4 is a pending listing which has been added for additional support to the final value conclusion.

All of the comparable sales are "arms-length" transactions with an equally motivated buyer and seller.

There is a recent trend in the subject's market area for the agents to list the properties low to increase interest, thus no price negotiation adjustment is necessary.

#### Final Reconciliation

Consideration has been given to both the sales comparison and cost approaches. As properties in the subject neighborhood are typically purchased for owner occupied purposes; income approach was not considered applicable in this appraisal. The cost approach is more useful in valuing new improvements and was given little consideration in determining a final value estimate. Since the sales comparison approach best indicates the current actions of typical market participants it was given the most weight in this appraisal.
